TEKNİK HİZMETLER VE LOJİSTİK

CeBIT Bilişim Eurasia'ya katılımınızın her yönüyle başarılı geçmesi için, sunduğumuz tüm hizmetlerle tarafınıza sağladığımız tüm olanaklar ile ilgili bilgiler ilerideki sayfalarda verilmiştir. Stand kurma, elektrik, telefon ve veri hatları, halı kaplama, ek stand malzemeleri ve görsel/işitsel sunum sistemleri bunlardan bir kaçıdır. Yapmanız gereken tek şey, ekteki hizmet istek formlarını doldurup belirtilen son teslim tarihinden önce HİF A.Ş.'ye göndermektir.

TECHNICAL SERVICES & LOGISTICS

The following pages contain information regarding all services we offer to make your participation at CeBIT Bilişim Eurasia an all round success. We provide all the necessary facilities including booth construction, electricity, telephone and data lines, carpeting, additional booth materials and audiovisual presentation systems. All you need to do is complete the attached service request forms and return them to HIF A.Ş. before the stated deadlines.

Genel

Katılımcı şirketler tarafından talep edilen teknik hizmetlerin firma standartlarına doğru biçimde ulaştırılmasını ve stand yapımına uygun olmasını sağlamak üzere, katılımcı şirketlerin mimarlarından destek almaları önerilir.

HİF A.Ş. tarafından sağlanacak bir hizmet için, belirtilen son başvuru tarihinden sonra bir talep geldiğinde, HİF A.Ş. bu hizmetin sağlanmasını garanti etmez. Bu tarihten sonra alınan talepler için liste fiyatı %50 artırılır.

Eksik, gecikmiş ve gönderilmemiş formlardan kaynaklanan sorunlardan HİF A.Ş. sorumlu değildir.

Fuar Katılım Ücreti

Fuara katılım, "metre kare başına" esasına göre ücretlendirilir. Metre kare başına ücret, stand olmaksızın, yalnızca kiralanan zemin alanını kapsar.

Zemin alanı kira ücreti 290 YTL/m² + %18 KDV'dir. Bu fiyat tüm fuar süresi için geçerlidir.

Bu ücrete dahil olan hizmetler:

- Standların m²'leri ve yerlerinin belirlenmesi.
- Fuarın tanıtılması ve duyurusu, danışma ve teknik servis bürolarının kullanımı, fuar genel güvenliğinin sağlanması.
- Genel temizlik hizmetlerinin sağlanması (stand içi temizliği müşteriye aittir)
- Afişlerin, fuar kataloğunun ve tanıtım broşürlerinin basımı ve dağıtımı dahildir.

Üst kat kullanım fiyatı 15 YTL/m²+KDV'dir. Söz konusu olabilecek diğer hizmetlerin bedelleri hizmet ile ilgili formlarda bulunmaktadır.

General

Exhibitors are advised to obtain support from their architects in order to ensure that the technical services which they requested reach their booths in the correct manner and suit the construction of the booth.

If a request for a service to be provided by HİF A.Ş. is received after the specified deadline, HİF A.Ş. does not guarantee to supply these. The listed price will be increased by 50% for requests received after this date.

HİF A.Ş. is not responsible for problems arising from incomplete, late or unsubmitted forms.

Rental Fee

Participation in the show is charged on a "per square meter (sqm)" basis. The charge per sqm covers only the actual floor space rented, without any booth.

The charge for floor space is EUR 180 per sqm +18%VAT. This price is valid throughout the fair.

This charge includes:

- The sqm areas of stands and their localization
- Promotion and advertisements, consultancy and utilization of technical service offices, and providing the general security of the exhibition area,
- Providing general cleaning services (in-stand cleaning shall be provided by the Customer)
- Printing and distributing the posters, show catalogue and leaflets.

Fees for any additional services are quoted on the relevant forms.

Elektrik, Telefon, Faks ve İnternet Hizmetleri

Müşterilerinizin ve diğer ilgili şahısların fuar süresince size telefon, faks ve ePosta ile ulaşabilmeleri için tüm bağlantılarınızın yapılmış olduğundan emin olunuz. Yapmanız gereken tek şey, aşağıdaki istek formunu doldurmak ve imzalayarak formda belirtilen faks numarasına göndermektir:

Elektrik, Telefon, Faks ve İnternet Hizmetleri:
İstek Formu 2c

Son Başvuru Tarihi **28.08.2007**

Standınızı kurmaya başlamadan önce, gerekli altyapısal unsurların (su, elektrik, veri ve telefon kabloları) kanaldan stand alanınıza sağlanmış olduğunu kontrol edin.

Telefon hattının uluslararası aramalara açık ya da kapalı olması gerektiğini İstek Formu 2c üzerinde belirtmeyi unutmayınız. Kendi alanlarına telefon hattı talep edenlere yalnızca hat hizmeti verilir ve ilgili altyapı kurulur. Hattın sonunda bir konektör mevcuttur. Hattı kullanmak için katılımcı şirketlerin kendi telefonlarını getirmeleri gereklidir.

Katılımcı şirketler veri hattı talep ettiğinde, HİF A.Ş. Türk Telekom'a başvuruda bulunarak başvuru sürecini izler ve hattın standda kurulmasını ve kontrol edilmesini sağlar. Veri hattını standda kullanabilmek için katılımcı şirketlerin uygun modemi sağlamaları gereklidir.

Fuar sırasında kaç kW güce gereksiniminiz olacağını Elektrik, Telefon, Faks ve İnternet formunun ilgili bölümünde belirtiniz. Her kW elektrik için maliyet 45 YTL + KDV'dir. Bu fiyata, elektrik kablolarının standınıza çekilmesi ve kullandığınız elektriğin ücreti dahildir.

Electricity, Phone, Fax and Internet

Make sure you are fully connected so that your customers and other interested parties can reach you at the show by phone, fax and e-mail. All you need to do is to fill out the following request form, sign it and fax it to the number indicated on the form:

Electricity, Telephone, Fax and Internet:
Request Form 2c
Deadline **28.08.2007**

Please check that the required infrastructural elements (water, electricity, data and telephone lines) have been provided from the channels to your booth area before you commence construction of your booth.

Please do not forget to indicate on the Request Form 2c if the telephone line should be open or closed to international calls. For those who request a telephone line to their area, only the line service will be given and the related infrastructure will be installed. A connector will be found at the end of the line. Exhibitors are asked to remember that they must bring their own telephones in order to use the line.

When exhibitors request data lines, HİF A.Ş. submits an application to Turkish Telekom, monitors the progress of the application and ensures that the line is installed at the booth and checked. Exhibitors must supply the necessary modem in order to use the data line at the booth.

Please indicate how many kilowatts of power that you will require during the show in the given section of the Electricity, Telephone, Fax and Internet form. The cost for each kW of electricity is EUR 22 + VAT. This price includes the provision of electricity cables to your booth and the cost of the electricity you use.

Kesintisiz Güç Kaynağı (KGK)

Fuar alanında ortaya çıkabilecek elektrik kesintilerinden, düşük voltaj ve uyumsuz ağ elektrik kaynakları ve cihazlarından kaynaklanan sorunları ortadan kaldırmak amacıyla, KGK kullanmanızı öneririz.
