Hannover Fairs-Interpro International A.S.

Website: www.cebitbilisim.com

CeBIT Bilisim Eurasia 2009 at a glance:

- 989 exhibitors from 21 countries
- 126,184 visitors
- Media coverage by more than 1,880 international media attendees and journalists
- Exhibition displays like Business IT, ICT Infrastructure, Mobile Business Solutions, Security, B2B Communications, eGovernment, Banking & Finance, Digital Life and many others.

After Show Report 2009 on www.cebitbilisim.com or upon request available. Please feel free to contact us!

The Pavilion:

Additionally to your confirmed stand space (min. 9sqms) you are free to make use of the entire infrastructure of the pavilion including an attractive visitor lounge and a fully-equipped office. All exhibitors and their visitors can enjoy our catering and beverage service.

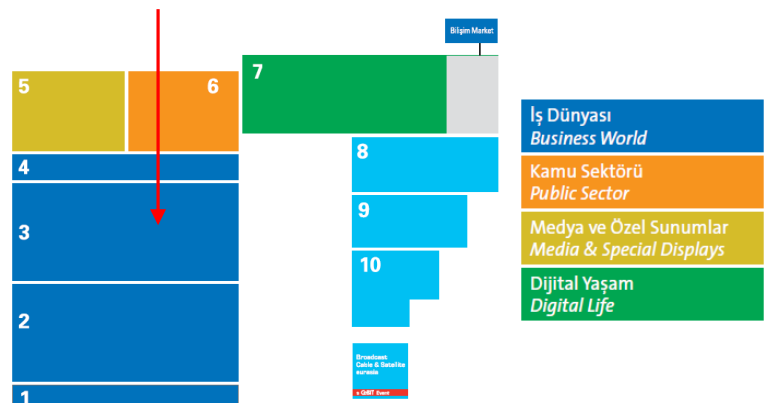

The Service:

The participation offer also includes:

- layout planning and stand designing
- uniform fascia lettering with individual company logos
- back walls and partition walls
- stand furnishing (one table and three chairs, sideboard); additional furniture available upon request
- general stand lighting, supply of electricity
- entry in the official exhibition catalogue
- online presentation on the German pavilion website www.cebit-bilisim.german-pavilion.com

(additional services available upon request)

ALLOCATION OF THE GERMAN PAVILION

Our project team will be happy to provide any advice regarding the price and participation conditions.

You would like to get high output for a small input?

We offer...

- extremely attractive and reasonable participation conditions
- comprehensive office infrastructure for the free use of telephone, fax machine, copier and internet access
- visitors lounge free to hold meeting with your potential customers and guests including beverage catering

You expect a perfect presentation?

We offer...

- Our wealth of experience thanks to the long lasting team work with the local service providers
- Realisation of your special needs and wishes regarding the stand construction and design
- A safe transport of your exhibition goods with the help of an internationally acting and experienced freight forwarding agency
- Online presentation with the German pavilion website

You would like to attract new customers?

We offer...

- top-location on the fairgrounds thanks to the joint space reservation
- A central meeting point for the political and trade delegations as well as for the international press members
- A conjoint presentation under the "Made-in-Germany" roof which enjoys an excellent reputation on trade fairs worldwide
- An informant from your trade association who promptly provides the visitors and guests of the pavilion with the information according to their special needs.

You expect a full-service package?

We offer...

- Experienced, native-speaking (German, English, Turkish) contact persons
- Smooth and prompt realisation of your orders/ requests including stand constructing and dismantling
- Support with the organisation of your business trip (flight, hotel accommodation)
